

Thola Productions designs, builds, and manages high-end Remote Control Amusement Attractions. For over 20 years, we have owned and operated attractions at major theme parks and resort hotels including Disney, Cedar Fair's Knott's Berry Farm and Legoland California. We use our knowledge and experience as owner/operators to design the most maintenance-free amusement attractions on the market. Simply put, we build the best amusement attractions available. As you will see, our attractions are themed with brilliant detail and uncompromising quality.

Our high-end amusement attractions are proven revenue generators in amusement parks, resort hotels, and shopping and entertainment centers.

Please contact us with your remote control amusement attraction needs.
